

	TECHNICAL NOTE	Ref : 2025-01 v1
	Subject : <u>FHR in Historic Racing</u>	Date : 11/02/25

To whom it may concern

Dear all,

As a clarification, please find below the applicable text concerning the use of FHR devices in all Historic competitions held in Belgium :

The use of an FHR system in accordance with the manufacturer's instructions and Appendix L is recommended in cars of Period E and before.

The use of an FHR system in accordance with the manufacturer's instructions and Appendix L is mandatory in all cars of Period F onwards equipped with FIA homologated harnesses.
